

**7 THINGS THE OLD TESTAMENT BELIEVER
WAS TO BE DOING – AND CONFESSING THEY WERE DOING.**

*HOW MUCH MORE THE NEW TESTAMENT BELIEVER!
AND WE HAVE THE HOLY SPIRIT!*

YOU SHALL
WORSHIP
THE LORD YOUR GOD
AND SERVE HIM
ONLY

Lord Jesus Christ

Luke 4:8

matt violassi

Just like Jesus did, we need to be telling the devil “What we are doing” (Luke 4:8) . . . “What we are all about” . . . What our life is "all about" . . . “We are all about Loving the Lord, and Serving Him only.” (Loving others correctly will come out of this.)

God wants us to grow-up in Him and be at a spiritual level where we can daily confess that we are doing these 7 things: Loving Him, Serving Him, Fearing Him, Following Him, Knowing & Keeping His Commandments, Listening to His Voice, and “Clinging” to Him.

Most professing Christians seem to not be able to make this confession.

Note: It is very interesting that the Old Testament believer was to be experiencing “Following the Lord.” This “following” was not merely doing #3 – “Keeping His Commandments.” It was receiving other specific direction for their lives – what they were to be involved in.

Also, they were to be “Clinging to Him.” How can any Old or New Testament Believer be “Clinging” to another person (especially God) without some kind of interaction / personal experience with that person? Men are commanded to also “cling” / “cleave” to their wives, too (Glue, Adhere, to Join, to Stick). Marriage is to be a picture of man’s relationship with God / God the Son. (The Apostle Paul said marriage was a mystery.)

A Great Evangelistic Greeting / Response

When someone asks us "So, what have you been up to?"
or "What's going on with you?..."

Response: "I just get-up every day and Love God, Serve God, Get-With God..."

**This is a profound and eternal thing to be doing every day,
and to being able to confess each day.**
