Ephes. 5:16

B - BE

C - CLOSING

A - ALWAYS

B - BE

C - CLOSING

If we really are trying to love and care for others,

1. We want to try to help God bring people in relationship with Him.

And also, we want to keep trying
(in our own feeble way – *but powerful if God-breathed*)

2. TO HELP THEM NOT TO GO TO HELL FOREVER.

We can so easily get distracted
as we are trying to do our own life in a sane way
(life is hard for everyone),

and forget about caring about others *in the way we want to*,

Reminding ourselves daily is wise - to be ultimately and eternally
concerned for others, and ABC (*Always-Be-Closing*)
like a good salesman or ambassador for God
when we interact with others every day.

THIS IS SO IMPORTANT.

But we will need to be tuned-in tightly.

“Apart from Me, you can do nothing” – Lord Jesus
